LET THERE BE DRAW!

ANDRIOS SMOREIRA

PORTFOLIO 2025

Hi! I'm Andrios, a professional illustrator with experience in graphic design and comic book artist.

I've worked for over 10 years in print shops, developing a wide range of projects for my clients in print and digital media.

My specialty is retro illustration and painting, heavily influenced by the aesthetics of the silver and bronze eras of comics and the covers of paperbacks from the 60s and 70s.

My work is focused on the publishing and comics markets, but I've also worked with the clothing, music industry, and breweries.

Some clients I've worked with: Guar Books, Astrid Co., Ink & Blood Comics, Orculo Cinzento (RPG), Cervejaria Invicta, Blackstone Brasil, among others.

See more of my work at www.andriosart.com. Contact me by email at andriossmoreira@yahoo.com.br.
